Deal out 7 cards each. Place the rest of
the pack face down on the table. Turn
over the top card [make sure it is not a
SWITCH card] and place it on the
table, next to the pack.

Lay your 7 cards out in different sets
e.g. all the ot words. If you can follow
the set of the card next to the pack,
then do so, if not then play a SWITCH
card and change the set or pick up a
card from the pack.

Players must say the word they are
putting down [even if they need help to
read it]

The winner is the first player to get rid
of all their cards.
