## Parent and Child Drawing Club

Dear Parents and Guardians,

I hope this letter finds you well! I am excited to invite you to our upcoming Parent and Child Drawing Club session on **Thursday 13<sup>th</sup> November at 2.30pm**. This is a wonderful opportunity for you to spend some quality time with your child while engaging in a fun and creative activity together.

We will start our Drawing Club in the classroom with some vocabulary and an enchanting story that sparks our imaginations. Following the story, the teachers will model completing a drawing and a written code. Then we will move into the hall where you will be able to support your child to complete their own drawing and a written code. This is a fantastic way to support your child's early mark-making skills and foster a love for writing as they express their thoughts and ideas through their drawings and the conversations they have whilst engaged in Drawing Club. We anticipate that the session will end at approximately 3.05pm, when we will take the children back into class, collect their belongings and dismiss them to you, in the playground as normal at 3.15pm.

Please note that we ask for only **one** parent per child to ensure there is enough space for all children to attend with a parent. Unfortunately, siblings will not be able to join us for this session, as we want to focus on the parent-child bonding experience.

We are looking forward to an engaging session filled with laughter and creativity. If you have any questions or need further information, please do not hesitate to reach out.

Warm regards,

Mrs. Nagy & Miss. O'Hara
