Rock Kidz Experience!

Dear parents and carers,

We are very excited to announce that we will be welcoming some very special guests to school on **Tuesday 12th May 2026!** Rock Kidz are a company that gives primary schools all over the UK the opportunity to raise the profile of well-being and PSHE in their community through the power of music!

Two experienced Rock Kidz team members will transform our school hall into a **rock concert venue** for the day! They will perform an original song with a PSHE theme written by the Rock Kidz team! They deliver age-appropriate explanations and demonstrations of the messages behind the song, alongside extremely active workshops with dancing, exercise & fun at the heart of the whole experience! They will provide professional sound, lighting and visual equipment, and create an environment for an experience to enrich our whole school! For our school, Rock Kidz will be delivering on the topic of **"Nobody Like Me"** to promote Self Esteem & Diversity across school!

The team will be at school early in the morning to set up but will also be around at the end of the day with merchandise for sale following the event! Please see the reverse of this letter for more information from Rock Kidz about this.

As the hall is being used all day, **all children will be eating their lunch in their classrooms.**

- **If your child usually has a school dinner:** this will be provided as usual, however they will receive a picnic lunch in their own individual picnic bag. Class teachers will be organising choices for lunch options.
- **If your child usually has a packed lunch brought from home:** they will have their own lunch as normal.

If you have any questions about this, please speak with your child's class teacher.

Tuesday 12th May will be a **non-uniform day** as we are offering all our children the chance to come to school **dressed as rock stars!** It would be great if your child can join in the fun with this!
