Hot Weather Week

Dear Parents and Carers,

As the weather is expected to remain very warm throughout the coming week, we would like to ask for your support in helping to keep all children safe and comfortable during the school day. Please ensure that your child applies sun cream **before** coming to school each morning, and that they bring a hat to wear outdoors. We would also be grateful if you could send your child in with a water bottle each day, clearly named, so that they can remain well hydrated.

Where possible, please ensure that children arrive prepared for the warmer conditions with suitable clothing and any additional protection they may need for outdoor activities.

We appreciate your co-operation in helping us to manage the effects of the hot weather and to keep everyone as safe as possible during what may be a particularly warm week.

Staff will continue to take sensible precautions throughout the day and will encourage children to drink regularly and stay in shaded areas where appropriate.

Thank you for your continued support.

Yours sincerely,

Mrs Bishop
Head Teacher
