Friday 3rd June 2026

Dear Parents/ Guardians,

We will be holding our annual sports day on Tuesday 7th July at 9.15am on the school playground (weather permitting). We would love for parents to attend if you are able to.

We are unable to allow any photographs or videos during the event due to safeguarding reasons. We will give the opportunity for you to take a photograph of your own child at the end of the event. Please respect this and keep your phone in your bag/ pocket throughout the event.

Unfortunately, in previous years, there have been unkind and inappropriate comments, made by family members, towards staff and about other children. This will not be tolerated and we ask that everyone attending the event is polite and courteous towards others.

There will be a large designated area for parents to watch the Sports Day, around the edge of the playground. This will be marked out with chalk/ cones and we ask that parents respect this and stay in this area.

If you are bringing younger siblings please ensure that they stay with you and that they do not climb upon the trees or use the equipment set out for the sports day activities.

Please ensure that your child has a water bottle and a PE kit in school on this day.
Also if the weather is very warm please ensure you put sun cream on your child before school and they may also wear a sun hat.

If the weather is really wet then we will re-arrange this event on an alternative date and keep Parents/ Guardians informed (back up date is planned for Thursday 9th July).

The Sports Day will include a range of physical activities for the children to compete in, in small teams. They will then go inside for a quick drink and come back out to compete in the running race.

Thank you for your support,
Mrs. Nagy
